Uniform Policy

Granville State School Dress Code Policy has been developed in consultation with parents and caregivers, school staff, students and the Parents’ and Citizens Association. The Granville State School community endorses, supports and expects students to be in uniform.

Purpose:

· Allowing identification of our students on school premises and during regional sporting and cultural events and excursions, critical incidents, safety drills or evacuations.
· Alerting our school staff to people who may not belong on our school grounds.
· Reducing the pressure of buying name brands and following the latest trends and fads, which minimizes any visible economic or social differences between students.
· Promoting a sense of common purpose and belonging, consistency and unity in the daily activities of students.
· Reflecting the Granville State School’s community expectations of student safety and is consistent with the Department of Education and Training’s Occupational Health and Safety and Anti-discrimination Legislation and Sun Safe Strategy.
